NRO-NC -vs- ASO-AC

- The ASO is where the RIR system meets the ICANN system
- In terms of a Memorandum of Understanding between ICANN and the NRO:
    - the NRO fulfils the role, responsibility, and functions of the ASO
    - the NRO-NC fulfils the role, responsibility, and functions of the ASO-AC
    - (http://www.aso.icann.org/docs/aso-mou2004.html)
- Members are elected/appointed to the NRO-NC by the RIRs
- The same members also serve, simultaneously, as the ICANN ASO-AC

- 15 Members
    - 3 from each of the five regions
        - 2 elected by RIR community
        - 1 appointed by RIR Board
    - Typically serve three-year terms
    - Different RIR's have different procedures for electing or appointing members
